Not Your Usual Caterer.

Leafy Flavours is a boutique food experience service based in Kellyville, Sydney. We specialise in authentic Karnataka cuisine — rooted in the flavours of Mysuru — and Indian street food that takes you straight back to the lanes of Bangalore or Delhi.

We are not a bulk caterer. We do not do pickup trays or dabba deliveries. Every Leafy Flavours experience is curated, styled, and served at your venue. We bring the food, the setup, the table dressing, the branded signage, and a personalised experience — you just show up and celebrate.

✦ Authentic Karnataka & Chaat Cuisine

Mysuru recipes made with care — kosumbri, puliyogare, masala puri, pani puri — the real thing, not a generic "South Indian" menu.

✦ Styled Setup Included

Your table looks beautiful every time. Tiered stands, branded menu cards, table dressing, decorative props — all part of every experience.

✦ We Come to You

We arrive, set up, serve, and pack down. You do not lift a finger.

✦ Personalised to Your Event & Theme

Birthday, baby shower, haldi, housewarming, naming ceremony — we match your theme, your colour palette, your occasion.

✦ Boutique, Not Bulk

Small batches, individual portions, real quality. Not a tray of food — an experience on a table.

2	Tell us your guest count, date, and event theme
